ThoughtSpot Assessment and Tune-Up
ThoughtSpot Solutions Architect Services

ThoughtSpot Assessment and Tune-Up are timed and planned to maximize benefits and outcomes from your ThoughtSpot implementations and analytics transformation strategies. This consulting engagement is designed to leave our customers knowing that their ThoughtSpot cluster and implementations are healthy and scalable. Our dedicated Solution Architects will work hand-in-hand with your team and help identify bottlenecks and provide approaches and best practices to achieve your goals.
ThoughtSpot Assessment and Tune-Up

Our team of Solutions Architects have seen it all and will work with you in a number of areas to help identify bottlenecks and provide approaches and best practices to achieve your goals. The fixed price Assessment and Tune-Up provides customers with technical services from a ThoughtSpot Solutions Architect (SA) for up to 40 hours of engagement.

Assessment and Tune-Up includes the following:

- Conduct Hear & Learn workshops
- Architecture
  - Architecture review and health check
- Best Practices
  - Cloud data warehouse
  - Modeling for search
  - Use-case planning
- Technical Design Support
  - Guidance with data loading, modeling for search, worksheets, formulas, answers, and Liveboards
  - Solution reviews of existing use-cases
- Load Testing
  - Assessment, strategy, and tooling
- Performance
  - Performance monitoring, assessment, and tuning recommendations
- Security
  - Authentication and authorization
  - Security design/implementation review and recommendations
Pricing
The Consulting Services will be performed on a pre-paid fixed price basis and the term stated on the Order Form.

Work Hours
Consulting Services work performed is predicated on a forty-hour (40-hour) work week (at eight (8) hours per day), 9:00 am – 5:00 pm local time, Monday through Friday, excluding customer holidays and travel hours.

Expenses
Customer will reimburse ThoughtSpot for all authorized, reasonable and verifiable travel, meal, and lodging expenses for all ThoughtSpot personnel who travel in support of the Consulting Services. Such expenses will be billable at cost and borne solely by Customer. Customer will pay all amounts in accordance with the Agreement or the applicable Order Form. Expenses will be invoiced: (a) within ten business days of the first day of each month for the expenses paid by ThoughtSpot during the preceding month; or (b) immediately for fees agreed upon up front as a fixed fee.

Customer Responsibilities and Resources
Customer acknowledges and agrees that: (a) ThoughtSpot’s obligations relating to Consulting Services are conditioned and dependent upon Customer’s timely fulfillment of its responsibilities as set forth in this Service Description, and (b) Customer’s failure to timely fulfill its responsibilities may result in additional expenses and that any resulting delay in the Consulting Services or timelines will not be attributable to ThoughtSpot.

Customer will provide to ThoughtSpot:
- Access to necessary subject matter personnel, such as the Infrastructure Administrator, Database Administrator, Network Administrator, Project Manager, Business User, Business Sponsor etc., on an as-needed basis for the completion of the tasks specified above.
- Remote access to necessary tools, applications, and documentation needed to provide the Consulting Services.
- The schedule for, and internal coordination of, the work session(s) necessary to complete the Consulting Services.
- Any documentation related to data models and business transformation rules at the commencement of the Consulting Services engagement.
- Resources to conduct testing during the validation phase of the Consulting Services.
Consulting Services Terms and Conditions

For scheduled service days that are canceled or rescheduled by Customer with fewer than ten business days prior written notice to ThoughtSpot, Customer will be charged and pay for: (a) any travel expenses that cannot be canceled or refunded, and (b) the canceled/rescheduled service days if ThoughtSpot is not able to reassign the personnel to another project. For the purposes of this section, email to the ThoughtSpot personnel assigned to this project will be sufficient as written notice. References to Consulting Services herein will apply to “Professional Services” if such term is used in the agreement between Customer and ThoughtSpot governing services purchases.

ThoughtSpot will provide the Consulting Services described herein as identified on the corresponding Order Form. No services are included in this offering except as expressly included in this document. Customer agrees to pay the total fee amount on the Order Form regardless of the total number of hours completed.

If Customer participates in an Advisory Board or other feedback program, then notwithstanding anything to the contrary in any other agreement between the parties, to the extent Customer provides any suggestions, proposals, ideas, recommendations, or other input regarding ThoughtSpot products or services, ThoughtSpot may use the foregoing for any purpose without obligation of any kind. All feedback is provided “as-is” and without warranty, and Customer is not identified as its source.

About ThoughtSpot

ThoughtSpot is the Modern Analytics Cloud company. Our mission is to create a more fact-driven world with the easiest to use analytics platform. With ThoughtSpot, anyone can leverage natural language search and AI to find data insights and tap into the most cutting edge innovations the cloud data ecosystem has to offer. Companies can put the power of their modern data stack in the hands of every employee, extend the value of their data to partners and customers, and automate entire business processes. Customers can take advantage of ThoughtSpot’s web and mobile applications to improve decision making for every employee. With ThoughtSpot’s developer-friendly platform, customers can also embed consumer-grade analytics into their SaaS offerings or build entirely new interactive data apps that engage users and keep them coming back for more. Organizations like Walmart, BT, Daimler, Medtronic, Hulu, Royal Bank of Canada, OpenTable, Metromile, Workato, and Nationwide Building Society rely on ThoughtSpot to transform how their employees and customers take advantage of data. See for yourself and try ThoughtSpot today.
